Trending at Rank#1

Analysis

The Graph on left side plots the Views, Likes, Dislikes, and Comments of various videos that were trending on youtube at Rank #1.

In general it is observed that Views and Likes and Comments outweighs Dislikes in the process of making a video Trend on top.

Some anomalies are observed where the huge count of Dislikes and Comments is responsible for making a video to Trend.

"Youtube rewind 2017 , So Sorry and Suicide :Be Here Tomorrow" were among the most Disliked videos of 2017 on Youtube , but also were among the list of most trending videos of 2017.
